SUMMARY OF EXAMINER INTERVIEW**Interview Date:** 5 August 2009**Attendees:** USPTO - Examiner Brian Scott Szmal

Applicant's Representative - Patrick D. Boyd, Reg. #54,671

Exhibits/Demonstrations: Applicant's Proposed Agenda for Examiner Interview, sent to the Office by facsimile on 3 August 2009.**Claims Discussed:** Independent claim 1**Prior Art Discussed:** Rieke U.S. Pat. 3,452,743**Principle Proposed Amendments:** None discussed during interview**General Summary of Discussion:**

Applicants' representative presented arguments believed to overcome the rejections asserted in the 23 June 2009 Non-Final Office Action. The Examiner agreed that the pending claims are not disclosed by the asserted references, and stated the rejection would be withdrawn after receiving applicants' formal response including the same arguments as presented in the Proposed Agenda for Examiner Interview.

The Examiner replied in the affirmative when asked if he would be receptive to granting an Examiner interview prior to a subsequent Office Action, if such is deemed necessary.

Applicants do not concede any assertions in the Non-Final Office Action that were not specifically discussed during the Examiner Interview or addressed in the Proposed Examiner Interview Agenda, and preserve the same for possible later presentation

Applicants thank the Examiner for his consideration in granting an interview with applicants' representative, and for preparing for the same by reading and considering applicants' statements in the Proposed Examiner Interview Agenda.
